A primary consultation is when we see the animal for the first time for a particular problem. Subsequent consultations for the same problem seen within 8 weeks from the primary consult will be charged a revisit consultation. Please note: after hours consultations are not included in the Healthy Pets Club plans.

*Performed by a veterinary nurse. Excludes sedation and hospitalisation if required.

Healthy Pets Club - Plan prices ##	Healthy Pets Club STANDARD	Retail Value**	Healthy Pets Club PLUS	Retail Value**

Healthy Pets Club memberships can also be paid via Zip Pay/ Zip Money which allows the membership to be paid off over 6 months interest-free, at a rate that suits you (eg weekly/ fortnightly/ monthly). Please note: Zip accounts will be subject to Zip terms & conditions

To sign up for a Zip account, go to zip.co/apply and follow the prompts.

**** Retail Value of Healthy Pet Club plans:**

The Retail Value is the **minimum** value of products & services as of 01.01.25. Any subsequent price rises of products and/ or services will increase the value of plans (with no additional cost to clients)

- **Standard plans:** Include value of vaccination(s), heartworm prevention, flea control and worming as appropriate for the weight and age of the pet
- **Plus plans:** Also include value of 1x primary consultation per year. Any additional consultations required throughout the year will increase the value of the plan
- **Additional services** such as nail clips/ dental checks/ anal gland expression (Plus only) or discounts for consultations/ revisits/ sterilisations/ microchipping/ puppy preschool classes have not been included in the retail value. If any of these services are required, it will increase the value of the plan
